

**(MIXED COURSE WITH FEMALE
PLACES ONLY NOW AVAILABLE)**

YR 9 INTRODUCTION TO CYBER SECURITY

30 March - 1 April 2020

Royal Holloway, University of London

3 days full board residential course

£220

Examine the real risks that come with cyberspace in the modern world, and get up close to the security measures protecting everything we do online. From encrypting Whatsapp messages to defending against large scale botnet attacks, you'll explore cyber security working behind the scenes to keep our personal information and applications safe.

Investigate some of the techniques used to secure cyberspace.

Work in small teams to tackle a range of cyber security challenges.

Get hands-on with some cyber security tools.

Learn how to protect your information by putting some cyber security measures in place.

Take part in presentations from experts who know their stuff and can answer all your questions.

Find out more about careers in cyber security.

Experience life on campus at Royal Holloway, University of London
